

Online Assignment 2

M.M: 30

Q1. Draw the DFD for a distance education university. The enrolment process works as follows:

Students send in an application form containing their personal details and their desired course. The University checks that the course is available and that the student has necessary academic qualifications. If the course is available the student is enrolled in the course, and the university confirms the enrolment by sending a confirmation letter to the student. If the course is unavailable the student is sent a rejection letter.

Q2. Draw use case diagram of an ATM system using all relationships.

Q3. What do you understand by Cohesion and Coupling? Explain all types of cohesion and coupling.
