Q1.) Apply any widgets.

Applied the widget “Recent Comments”. The latest comments will get visible here.

## Q2.) What is CMS? Explain WordPress.

CMS stands for Content Management System. It is a software application or a set of applications used to manage digital content, usually for a website. A CMS provides tools and interfaces to create, edit, organize, and publish content on the web without requiring advanced technical skills. With a CMS, users can create and manage web pages, blogs, forums, images, videos, and other digital assets.

**CMS platforms offer several benefits, including:**

- Ease of use
- Customization
- Collaboration
- Scalability
- Search engine optimization (SEO)

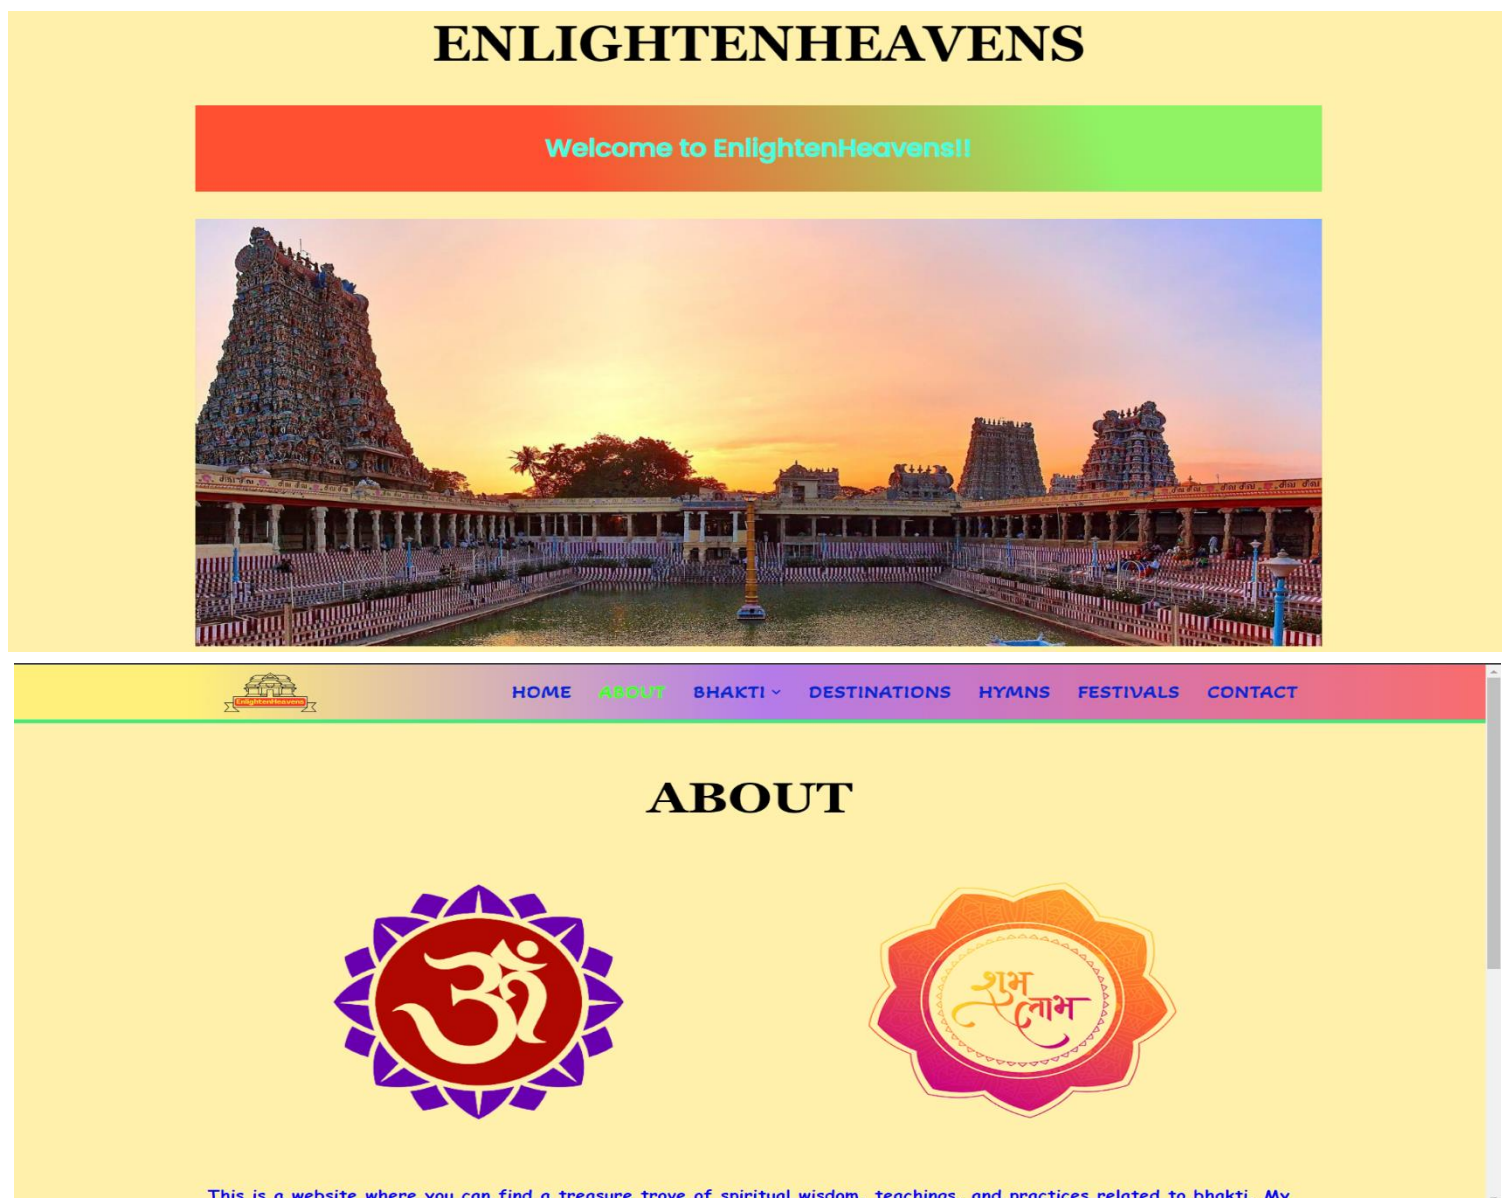

WordPress is one of the most popular CMS platforms available today. It is an open-source CMS that was originally designed for blogging but has since evolved to be used for various types of websites, including business sites, e-commerce stores, portfolios, and more. WordPress is built on PHP and uses a MySQL database to store content. It is free to download and use, and there are many plugins and themes available that allow users to customize their website's look and functionality.

WordPress provides a user-friendly dashboard interface that allows users to create and manage content easily. It uses a system of templates, called themes, to control the appearance of the website. Users can install and customize themes to create a unique design for

their website. WordPress also offers a wide variety of plugins that can be installed to add new features and functionality to the website.

Overall, a CMS like WordPress is a powerful and flexible CMS that offers a wide range of options for creating and managing digital content on the web.

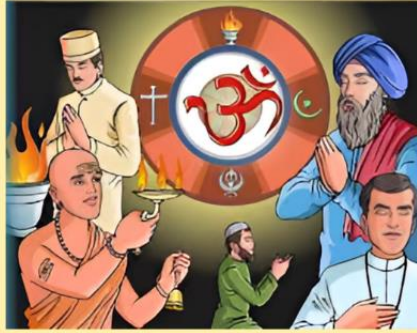

Q3.) Apply Image or Video.

through the complete surrender of the ego and the merging of the individual soul with the divine.

## 5. Compassion and service

Bhakti emphasizes the importance of compassion and service as a means of expressing devotion to the divine. This includes serving others, helping those in need, and practicing kindness and generosity.

Teachings of Madhavacharya

Maa Vaishno Devi Temple, located in the town of Katra in the Indian state of Jammu and Kashmir, is one of the most revered Hindu temples in the country. The temple is dedicated to Goddess Vaishno Devi, a manifestation of Goddess Shakti, the divine mother. Millions of devotees from all over the world visit the temple every year to seek the blessings of the goddess and to offer their prayers.
